

Poem Entry for Miguel Salavarría

## Being Happy

I'm happy when I'm on a vacation and get to have some fun  
but I get a little sad when it's done.

I like to get presents on my birthday  
and I hate Thursdays.  
Thursdays are long days  
Because I don't get to play.

My baby brother makes me happy too  
But when he cries I think I rather poo.

Patterns are pretty cool  
and I'm happy at school!
