

Mental Health is very important,
Everybody needs Mental Health.
No Mental Health is very sad.
Today some people don't have Mental Health.
All people with good Mental Health are happy.
Lots of people don't have Mental Health.
Hot or cold,
Everybody needs Mental Health.
A lot of kids don't have Mental Health.
Lots of kids feel sad because they don't have friends, or feel safe,
Tough life for these kids probably.
Health is important, so is Mental Health.

Things you need
for Mental Health.

1. Shelter
2. Friends
3. Feeling safe
4. Family
5. People to love
